

Seeking to put God’s love into action, Habitat for Humanity brings people together to build homes, communities, and hope.

Founded in 1991 as a volunteer-run affiliate of Habitat for Humanity International, the New Albany/Floyd County Habitat hired its first Executive Director in 2013 and has expanded outreach to both **Floyd and Clark Counties**. In the spirit of outreach, NAFC will build or rehab ten houses by 2016 to increase affordable housing in the community. We’re growing, and we want you to **grow with us!**

Volunteer

- **Construction Volunteers** are indispensable. Experience or not, we need you. Groups and individuals are welcome!
- **Site Supervisors** help our Construction Manager keep our volunteers on-task and comfortable with the work they do. They are our skilled volunteers and we need more of them!
- **Lunch Volunteers** can prepare or donate a lunch for our hard-working construction volunteers!
- **Family Advocates** support our partner families by helping them reach their goals and serving as liaison between the families and the affiliate.
- **Committee Members** offer wonderful insight to the different branches of our affiliate, such as Church Relations, Family Services, Resource Development, etc.

Serve

We build our houses with the hands of volunteers. Normally, that would be nuts.

But we're Habitat.

And you can help.

When can you start? Our building season begins in the spring. Check online or contact us to see which days would work for you or your group!

- **Fundraisers** are a great way to involve youth and the community at your local church, school, or business!
- **Property donations** save us the cost of buying land!
- **Sponsorships** are directly used to build a house! Check out our sponsorship levels online.
- **Supplies** such as a filing cabinet, projector, and storage space!
- **In-kind donations** are, of course, always accepted. Don't forget, we're tax-deductible! Check out the website for fundraisers.
